FOOTBALL ASSOCIATION MATCH PROGRAMME

ENGLISH SCHOOLS BRITISH GAS TROPHY - ROUND 5

Sheffield U15 v East Northumberland U15

Monday, 24th January 1994

7.30pm Kick Off, at Hillsborough Stadium, Sheffield

By kind permission of the Directors of Sheffield Wednesday Football Club

Tonight we extend a warm welcome to East Northumberland Schools F.A. for this 5th Round British Gas Trophy tie. It is our hope that everyone connected with them has a special day visiting Sheffield, going away win lose or draw with happy memories of the time they played at Hillsborough Stadium.

For those that have followed the Sheffield Schools U15 team fortunes this season you will be aware that this tie brings us once again opposition from the North East. Although a repeat of the scoreline in the previous round would not be unwelcome it is certainly unlikely given East Northumberland's fine record in the competition to date and their overall record during the past two seasons.

It was in Round 4 last year that East Northumberland travelled to Leicester and were eliminated 4-1 by a team that almost went all the way to the Trophy Final. This had been the best performance from an East Northumberland team taking part in the ESFA British Gas competition in recent years. This year's U15 squad has done one better having reached the 5th Round to become the only side from East Northumberland to achieve last sixteen status for over 40 years!

This team have played well together for the past two years and scored some remarkable successes whilst playing as U14's-winning the Johnson Cup played for by Northumberland Associations and the Hartlepool Hospitals Cup played for by Association teams in Northumberland, Durham and Cleveland. This was the first time this double had been done in thirty years!

EAST NORTHUMBERLAND U15 SQUAD (White shirts)

1. Robin	TUDOR	(Duchess High, Alnwick)
2.* Trevor	WALLACE	(Ashington High)
3.* Steven	Haddon	(Bedlingtonshire High)

16.* Lee	WILLIAMSON	(Hirst High, Ashington)
17. Stephen	HARMISTON	(Ashington High)

*Northumberland County Schools Under 15 Squad

The draw for Round 6 is as follows:

East Berkshire	v	Bradford
Tameside	v	Huntingdon or Cambridge
Reading or Blackheath	v	Basildon
Sheffield or East North'land	v	North Leicestershire

Once again Sheffield Schools F.A. are greatly indebted to the Directors of Sheffield Wednesday F.C. for allowing us the use of their magnificent facilities for tonight's game.

Sheffield will be hoping to go one further this season than their counterparts of the previous two seasons who were runners-up each time. Over the last twelve years Sheffield's record is the best for any association, winning the trophy on three occasions (1982, 1984 and 1990), and achieving runners-up status on two (1992, 1993).

Officials (All Leeds F.A.) are: Referee P. Long
Linesman S. Groves and P. Varley

SHEFFIELD U15 SQUAD (Claret/Light Blue shirts)

A SENSE OF COMMITMENT

British Gas has a presence in millions of homes and businesses throughout the country. Just as we pledge to provide our customers with a high quality service, so we are committed to play our part in enriching the life of the communities we serve.

Supporting sport is only one example of our active involvement with the community. We back education at all levels, environmental projects, the arts and charities — all areas of need which strongly affect the quality of life for people in Britain today.

British Gas believes sport is for all and has a wide-ranging programme of sports sponsorship at national and local level.

In sponsoring the English Schools FA British Gas Trophy competition, we are demonstrating our support for young people within the community. To have reached the final of this competition is a magnificent achievement and we congratulate both teams on their playing skills.

The English Schools FA British Gas Trophy embodies many of the Company's values. It involves leadership and teamwork. It creates enthusiasm and encourages youngsters to strive for excellence. We are delighted to be involved.
